Future Outlook

1. Future prospects of the Company

Kwong Fong will hold onto operational sustainability. With years of experience in asset revitalization and enterprise Integration, we further introduce new ideas, actively develop strategy and gradually promote investment in different projects. Without the pursuit of rapid growth, we adopt the basic policy that helps to build a management model creating profit. The profit structure has been adjusted for improving financial health, and it will be the basis of the next long-term operational goal and the growth in the future.

2. Future operational goals

- (1) To dispose of resources with asset concentration
- (2) To identify more business opportunities and to develop strategy for investment

Thank You.
